

# Nature 学外アクセス方法

Nature URL : <http://www.nature.com/nature/index.html>

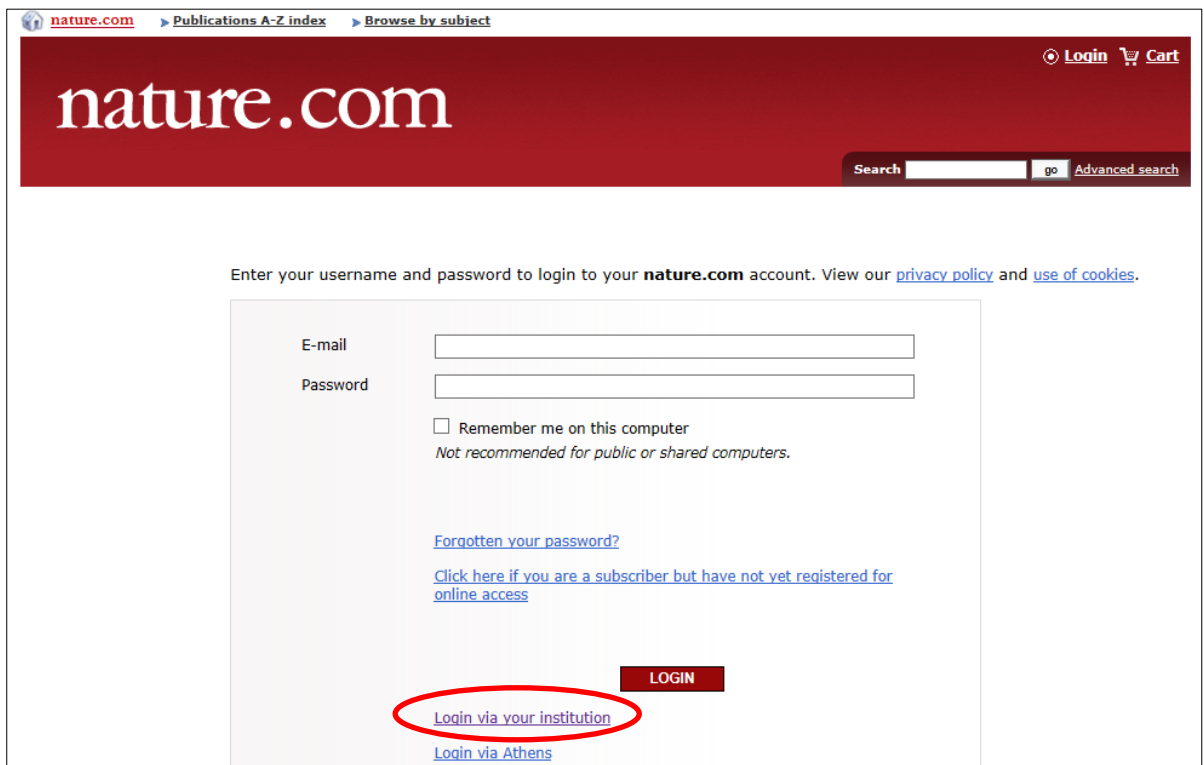

## 1. 画面右上の **Login** をクリック

※トップページ以外（各雑誌や論文のページ等）からも アクセスできます。

The screenshot shows the top navigation bar of the Nature website. The 'Login' link is circled in red. Below the navigation bar is a large advertisement for TNF-alpha TNFA Reagent. The main header features the 'nature' logo and the tagline 'International weekly journal of science'. A search bar is located on the right side of the header. Below the header is a 'NEWS & COMMENT' section with a featured article about UN pledges on climate talks. To the right of the article is a 'Current issue' section with a cover image of 'nature' magazine.

## 2. **Login via your institution** をクリック

The screenshot shows the login page of the Nature website. The page has a dark red header with the 'nature.com' logo and a search bar. Below the header is a login form with fields for 'E-mail' and 'Password'. There is a checkbox for 'Remember me on this computer' and a note: 'Not recommended for public or shared computers.' Below the form are links for 'Forgotten your password?' and 'Click here if you are a subscriber but have not yet registered for online access'. At the bottom of the form is a red 'LOGIN' button. Below the button, the link 'Login via your institution' is circled in red.

3.  の検索窓に” akita” と入力して  をクリックすると、自動的に Akita University が候補として表示されるので、カーソルを合わせて

The screenshot shows the nature.com website interface. At the top, there are navigation links for 'nature.com', 'Publications A-Z index', and 'Browse by subject'. A banner for 'The future of metamaterials and metasurfaces' is visible, along with a 'FUJIFILM' sponsorship logo. On the right, there are links for 'My account', 'E-alert sign up', 'Register', and 'Subscribe'. A search bar is located at the top right, containing the text 'akita' and a 'Search' button. Below the search bar, there is a section titled 'Login via your institution or Athens'. It contains instructions for logging in via Athens or an institution's login credentials. A dropdown menu for 'Austria' is shown, followed by a 'Go' button. To the right, there is a search bar for institutions containing 'akita' and a 'Search' button. Below this, there is a list of institutions, with 'Akita University' highlighted by a red circle and a '3'.

4. 秋田大学専用の AU アカウント認証システムが表示されるので、AU アカウント (AU-CIS または a-net) の ID とパスワードを入力して  をクリック

The screenshot shows the AU Account Authentication System login page. At the top, there is the Akita University logo and the title 'AUアカウント認証システム AU-Account Authentication System'. Below the title, there is a message in Japanese explaining the system and providing instructions. The login form includes fields for 'ユーザーID / User ID' and 'パスワード / Password', both highlighted with red dashed boxes. A green 'Login' button is also highlighted with a red circle. To the right, there is a box titled '送信するアカウント情報' (Account information to be sent) containing a list of details: '所属機関名(秋田大学)', '教職員 / 学生の区分', and '暗号化されたユーザーID(CiNii Articlesをご利用の場合)'.

Nature の元の画面が表示されれば、学外アクセスが可能な状態です。
